

From the President's Desk

Greetings HSA Members,

We hope your summer is going well and that you have been busy painting as well as having fun. Cathy Welner has planned a season full of great programs which you surely will enjoy.

There are some spaces left for volunteering. We would like to have a Social Chairperson and Recording Secretary. Also it would be nice to have someone look into the possibility of filming some of our demos with the help of Hudson Cable. They provide the equipment and the training and the CDs could be bought by HSA for use by members.

Any suggestions for workshops, field trips, or other activities that would benefit members are welcome.

Hudson has a new Visitors Center (off the upper level parking deck at First and Main) in which some of our members have art on the wall. If you want to submit your work for hanging, it must be scenes of Hudson. They will also sell your Hudson note cards.

We are looking forward to another good year of fellowship. Bring new members whenever you can. We are planning to update the website so be on the lookout for that.

See you soon,
Lucy

Fall Programs

Meetings are held at 7:30 p.m. at Barlow Community Center on Oviatt St., south of Streetsboro St.

- September 19: Craig Peterson, a well known Cleveland cityscape and Northeast Ohio watercolor artist. Craig is an exciting demonstrator. Don't miss this one.
- October 3: Shirley Ende-Saxe is a member of the National Collage Society and comes highly recommended by Gretchen Bierbaum as to her collage expertise. She'll show us how to do it.
- October 17: Barb Zimmerman has a wonderful, loose, yet sensitive style of painting watercolors. A must see.
- November 7: We will have a group critique in the Community Center Theater led by our very own Lucy Karslake. Bring two pieces to show.
- November 21: Scott Hall, a caricature and illustration artist. Bring your best smile. Scott will try to do a caricature of everyone at the meeting. It will be a fun night.
- December 5: HSA Banquet at 7:00. Bring a dish to share, plus your own plate & utensils. To participate in the gift exchange, bring a small gift-wrapped piece of your artwork.

Nina Robishaw

I retired from teaching art 3 years ago, and am a watercolor artist and I enjoy painting at home or on location when I can. Once a week I teach watercolor painting to the folks who live at The Rockynol Independent Living Apartments. I have 2 students that come to my home for painting instruction and I also supervise student teachers for Kent State University, Art Dept. I will be showing my work at Hudson's Art on the Green Aug 27/28 and I will also show my work at Art in the Park in Kent, Sept 10/11. I am an associate member of OWS and a member of CVAC.

Judy Pinckard

I won a honorable mention for watercolor at the 35th. annual Fairmont Juried Arts Exhibition. The same painting was chosen to hang in the Mayfield Heights Community Center thru September.

Rob Crombie

I will be having a solo show, titled "A Week In Nantucket", at my studio/gallery space, Studio 2091, 2091 Front Street Mall, Cuy Falls. 44221. Opening Night is Sept 2, 5:00 p.m. until whenever the last person leaves. The show runs the entire month of September. A return trip to Nantucket is planned for September 10 for 9 days. I'll paint, draw and take a million photos.

I'll be teaching at The Valley Art Center in Chagrin Falls in September as well. Classes are 6 weeks each and run back to back until next May.

Last, I will have an exhibit at the Solon Center For The Arts, opening November 14th.

Katina Pastis Radwanski

Katina was the featured artist at the Summit County Executive Offices "Room With a View" show during May - August.

She had two pieces in Artists of Rubber City Member Show at the Box Gallery in Akron. And, she traveled to Nicaragua with four other artists to paint a large outdoor mural this past Spring.

Cathy Welner

Cathy won best in watercolor at the Boston Mills Artfest this summer at the July show.

Hilary Sheeter

This summer Bev and I joined the Hudson group to visit our sister city, Landsburg om Lech, in Bavaria. There was so much beauty in the cities and and mountainous countryside. A side trip to Salzberg, the city of "the Sound of Music", was magnificent. The only down side to the two-week tour was that it was very structured and there was no time to paint, but I managed to nearly fill a sketch book and take many photos. How great an artist workshop would be to that country. The Hudson organizer of the entire trip was Roland Winzer. When I mentioned the idea to him, he said he is willing to organize one. Perhaps he could make a presentation at an HSA meeting.

Shannon Casey

One of the goals of the Third Annual "Changing Lives Through Love" Dinner Auction is to raise money for the "Sweet Dreams" bed fund to benefit Love INC of Summit County. The event will be held October 22 at the Annunciation Greek Orthodox Church in Akron. Love INC (Love in the Name of Christ) is a non-profit organization that works with churches, businesses and area agencies to meet the needs of the poor and needy in Summit County with food, clothing, furniture, appliances, utility assistance and housing programs.

I'm looking for donations for the Silent Auction. If you're interested in donating an artwork (or if you have another item you'd like to offer), it would be greatly appreciated. I will make sure your work is displayed with your artist statement, business cards, etc. and will do what I can to promote you. Please feel free to call Shannon Casey at (330) 541-6864 if I can answer any questions or email CaseyStudio@aol.com. Thanks for your consideration!
