

## From the President's Desk

Greetings HSA Members,

The 2011 March Members Show is one of our best yet. Our juror, Judy Gaiser, found it to be one of the most difficult shows she has judged and found nothing to reject. It is very satisfying to have so many positive comments on the high quality of the art work.

Congratulations to all, especially the award winners. The reception was very nice but we missed those of you who did not or could not attend. You can find a list of entrants and winners at the show site at Laurel Lake as well as prices for the paintings.

Thanks very much to Janet Willis for all her work to make the show happen and be successful. It would take a lot of space to list all the details involved in her preparations.

Thinking ahead, we will need to have our slate of officers in place in May. Among the 100+ members in our organization only a rather small percent have volunteered to hold office and/or chair committees. If you have never volunteered for anything before please consider taking a turn. You will get all kinds of help from the persons who have already held the position.

Hopefully the weather will make it possible for everyone to get to the remainder of our meetings.

Think Spring!  
Lucy
