Welcome to the Hudson Society of Artists

Hudson Society of Artists (HSA) wants to get the word out on what a good thing we have going. HSA welcomes artists of all mediums and art lovers alike. You don't have to be a professional fine artist to join or participate in the many opportunities the organization has to offer, which include:

- **Great programs with demonstrations and critiques**
- **Low membership fees**
- **Website gallery to promote HSA artists**
- **Online promotion of HSA members activities**
- **Workshops**
- **Members-only selling shows with awards**

As a non-profit community organization, HSA sponsors an annual high school art scholarship, contributes to local community organizations, and subsidizes other art entities. Our mission is to promote public awareness of art and to encourage artists in their pursuits. Members come from many different communities surrounding Hudson. Hudson's monumental Art On the Green (AOG) Show & Sale is an HSA event held at The Green at Joann's in Hudson. Art on the Green is an annual end-of-summer tradition in the City of Hudson, held for the past four decades on the weekend before Labor Day. Our members are very appreciative of our community sponsors, the cooperation of public officials, and all the volunteers who help make AOG an annual success. AOG attracts exhibitors and art lovers from throughout Ohio and beyond, benefiting our local merchants and restaurants.

HSA invites you to join our organization. Membership forms are available on our website <https://www.hudsonsocietyofartists.com/meetings> or check out HSA at one of their upcoming programs held at Barlow Community Center, located at 41 S. Oviatt St., Hudson, OH 44236, or one of our many events.
