To make HSA a vibrant thriving organization I would be willing to help in the following areas:

I am willing to share the following talent/skill/ability:

Hudson Society of Artists (HSA) wants to get the word out on what a good thing they have going. HSA welcomes artists of all mediums and art lovers alike. You don't have to be a fine artist or professional to join or participate in the many opportunities the organization has to offer:

- **great programs with demonstrations and critiques**
- **low membership fees**
- **free parking**
- **website gallery to promote HSA artists**
- **promotions of HAS members activities on Facebook and Google**
- **workshops**
- **members-only shows and sales with awards**

Additionally, Hudson's huge "Art On the Green" (AOG) Show & Sale is also sponsored by HSA. Their members are very appreciative of their community sponsors, the cooperation of public officials, and all the volunteers who help make AOG an annual success. HSA hopes to be able to continue to count on sponsorship to help preserve this show's greatness. This show has been ongoing for 40 years and is historically held the weekend before Labor Day. AOG attracts many different art lovers from other communities which benefit many of the local businesses and restaurants.

As a non-profit community organization, HSA sponsors an annual high school art scholarship, contributes to local community organizations, and subsidizes other art entities such as Ohio Watercolor Society and National Collage Society.

The HSA mission is to promote public awareness of art and to encourage artists in their pursuits. Members come from many different communities, not just Hudson.

HSA invites you to join their organization. Membership forms are available on our website <https://www.hudsonsocietyofartists.com/meetings> or check out HSA at one of their upcoming programs held at Barlow Community Center, located at 41 S. Oviatt St., Hudson, OH 44236, or one of their events.
